

Parent Student Contract

I acknowledge that by attending and successfully completing the driver education program with Tri-Town Driving School, and after passing a road test conducted by the Massachusetts Dept of Transportation, I will be eligible to receive my driver's license when I turn 16½ years old. In addition, I will receive a certificate of completion that will **save me up to \$1,000.00** on my automobile insurance for the first three years (see below for details).

I understand that if I decide not to participate in a driver education program I cannot receive a driver's license in the state of Massachusetts until I turn 18 years of age, and therefore will not be eligible for the insurance discount.

Payments

Payment for the classroom and driving portion of the program must be paid in full prior to or on the first day of class. We accept several forms of payment: cash, check, money order, MasterCard, Visa & Discover and debit cards.

Insurance Discounts

To be eligible to receive 10% off a Massachusetts automobile insurance policy a student/driver must:

- 2) Have successfully completed Driver Education with Tri-Town Driving School

- 4) Have passed a road test conducted by the Massachusetts Department of Transportation.
